

Animation: Work-Energy (Kickstart) Module

Animation

The following is an animation related to the work-energy module (Kickstart) created by couple of student:

<https://www.youtube.com/watch?v=Vn8hRT9K4oY&feature=youtu.be>

This was a first attempt, which could be improved (including listing the correct mathematical equation). However, it is somewhat different in terms of describing physics principles in context of human centered design.
